### QUOTES

"Milestone anniversaries like this provides us with the opportunity to reflect on our accomplishments and dream of future possibilities. In this spirit, I launched the Burlington150 to remind us of who we are, and to celebrate those who embody the qualities and values that make our community - and our province - great by dedicating their time and talent in the service of others. As MPP for Burlington, I'm honoured to have the opportunity to recognize so many outstanding individuals who continue to inspire me. I wish to thank Burlington residents for making our community such a wonderful place to live, and for making these Burlington150 Awards such an overwhelming success."
