

TRANSFORMING TRANSIT IN YOUR AREA

Temporary Road Closure at Passmore Ave. Milliken to Silver Star Blvd March 2nd & 9th

Metrolinx, an agency of the Province of Ontario, is working to transform the way the region moves by building a seamless, convenient and integrated transit network across the Greater Toronto and Hamilton Area (GTHA). Over the next ten years, Metrolinx is transforming the existing GO rail system to deliver a whole new rapid transit experience to your community. With more frequent train service you'll have more options to get you where you need to go.

THE LOCAL PROJECT

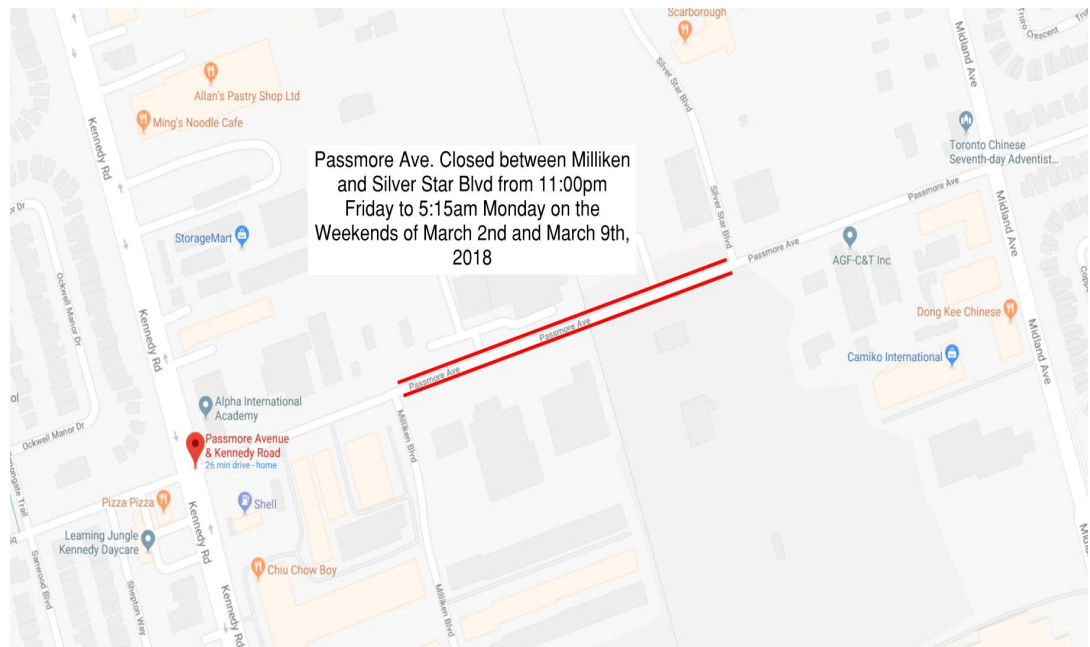

A multi-year construction program to expand and improve a 17-kilometre segment of GO Transit's Stouffville line in Scarborough and Markham is well underway. Expanding GO service in both directions means upgrading the existing rail corridor by: electrifying the corridor, adding a second track and related signals, and making improvements to stations and railway crossings.

As a part of our improvement to railway crossings, Metrolinx is undertaking road crossing track panel construction & watermain protection work at the railway corridor on Passmore Ave. This work is a part of how Metrolinx is transforming the existing GO rail system to deliver a new rapid transit experience and provide your community with the transit options you deserve.

WHAT TO EXPECT

In order to safely complete this work, Metrolinx has coordinated with the City of Toronto to close Passmore Ave. between Milliken and Silver Star Blvds from Friday, March 2nd 2018, starting at 11:00 pm, through to Monday, March 5th 2018, re-opening at 5:15am. Additionally, Passmore Ave. will be closed the following weekend from Friday, March 9th, 2018, starting at 11:00pm, through Monday, March 12th, 2018, reopening at 5:15am.

We are committed to keeping local residents and businesses informed about construction activities and can be reached at the contact information below. Thank you for your continued patience.

改善您所在区域的交通状况

3月2日和9日封闭 Milliken 与 Silver Star 大道之间的 Passmore 大街路段

Metrolinx 是安大略省的一家机构，目前致力于在大多伦多和密西沙加地区（GTHA）建立一个无、便利和安全的交通网络，从而改善地区的交通方式。在未来十年中，Metrolinx 将改造现有的 GO 铁路系统，为您提供全新的快速交通体验。更高效率的列车班次让您有更多时间，随心而行。

当地项目

一个需要耗时数年的施工项目正在有序进行中，项目旨在扩大和改善位于 Scarborough 和 Markham 之间、长度 17 公里的 GO Transit “Stouffville” 线路。我们将从两个方面改进 GO 服务，即通过以下方式升级现有线路：线路电气化，增加第二轨道和相关信号，并改善车站和线路交叉口的状况。

作为路口交叉点改善工程的一部分，Metrolinx 正在位于 Passmore 大街的路口道路上进行公路路口交叉口的轨排施工和主水管保护施工。该工程是 Metrolinx 改造现有 GO 铁路系统的一部分，旨在为您的社区提供全新的快速交通体验和交通出行。

路况

为了安全完成工程，Metrolinx 已与大多市市政部门，封闭 Milliken 和 Silver Star 路段 Passmore 大道，道路封闭将从 2018 年 3 月 2 日（星期五）晚上 11 点开始，至 2018 年 3 月 5 日（星期一）早上 5 点 15 分重新开放。此外，Passmore 大道将在随后一周的 2018 年 3 月 9 日（星期五）晚上 11 点封闭，至 2018 年 3 月 12 日（星期一）早上 5 点 15 分重新开放。

我们致力于当地居民和企业了解道路施工活动，您可以通过以下方式联系我们。感谢您一直以来的耐心。
