

YOUR VOICE MATTERS

Ottawa—Vanier Youth Council

What is the CYC program?

The Constituency Youth Council is a community volunteering opportunity for youth aged 15 to 24. The program runs from September to June and allows for youth voices to be heard on policy issues affecting Ottawa—Vanier and Canada. This program is a great opportunity to learn about Canada's political process and most importantly, get involved in the community.

Applications close on October 16th, 2018. To apply or get more information, send an email to mona.fortier@parl.gc.ca
